## The right No 3: The right to have a supportive friend

### Ambassador of the right

Kati

I like to talk and walk with my friend, listening to music and solve crosswords.  
Love is important for me.

## The team

Inge

I work in handicraft shop. My favourite work is making pompons. I like to play floor hockey. My best friend is Mait.

Sergei

I like going to sauna and drinking coffee. My favourite day is Sunday. And I enjoy very much Sunday morning pancakes.

Indrek

I like car cassettes and visiting my grandmother. Friends are important for me.

Kristel

My favourite work is cooking. I like to buy nice clothes (especially from Takko). I also like to visit the library and to watch movies.

Sander

I work in carpet workshop. I like my new home in Tartu. The warm winter is very nice for me, because I don't like snow. Visiting my mother and doing things together with friends are important for me.

Leana

I work in handicraft workshop and shop. I like the sun, travelling and handicrafts. Nature and friends are important for me. I like to offer massage to people.

Martin

I am one of the two first inhabitants of Maarja Village, living there since the autumn of 2003. I like cars.
